

# SPECIALTY WORKERS' COMPENSATION INSURANCE

**7710 INSURANCE** | Fire Districts  
Built by first responders, for first responders.  
a Trean Company

Designed by current and former firefighters and exclusively servicing fire and EMS agencies nationwide, **7710 Insurance is a specialty workers' compensation insurance company.**

Our team's combined 100 years in the insurance and fire industries have resulted in comprehensive coverage at the most **competitive rates entrenched in preventative, hands-on safety and fitness programs.** Our processes are supported by custom treatment and claims management programs — all designed to promote the health and well-being of personnel while containing costs.

This is a very specific workers' compensation program — **not available from a generalized carrier** — with unique features and benefits that are deeply rooted in experience, integrity and service.

- Built by first responders, for first responders
- Stable, guaranteed cost program
- First responder claims expertise
- Transparent and accessible service and leadership teams

We have the ability to write business in 43 states through a contractual arrangement with the Benchmark Insurance Company, an AM Best Rated A insurance carrier.
